This week:

Happy Lutheran Schools" Week!!! What a blessing it was to celebrate the love of Jesus together every morning in our school! We thank the Lord that we are able to share the Good News that Jesus is our Savior throughout our curriculum.

It was a very busy week. We:

- made 100 flags, glasses, and hats for a big 100th day parade.
- compared 100 collections by length and weight. We spread out our collections in the gym and made a "graph" to compare lengths. Ezra had the longest collection of 100 pieces of paper.. We thought Isabella's collection of mulberries was the shortest, until we learned another collection was actually shorter. (We learned someone had actually brought in more than 100 pieces.) The heaviest collection was Nora's erasers and the lightest was Avery's toothpicks.
- skip counted by ones, twos, fives, and tens.
- exercised to music to get fit as we counted to 100 and did different movements for each set of ten.
- had a relay race to sequence number strips to 100 in the gym by sets of ten.
- made 100th day posters to describe what we would buy with \$100.00, what we would look like in 100 years, what we can do 100 times, etc. Come take a look at them outside of our room sometime next week.
- played a hundreds cover up game to help us learn about the placement of digits in numerals. This game is helpful for those that may struggle with reversals. We also played a 100 dice game to help us learn how to "count on" when adding two dice together.
- played a "Race to \$1.00" game to help us practice coin identification.
- wrote a book about 100 wishes, 100 food choices, \$100 purchases, and 100 year old faces.
- read a variety of books this week. We counted words by listening to sentences as well as counted words by looking at sentences.
- read a big book called "From One to a Million Counting Concepts". The kids were amazed to learn about numbers larger than 100.
- had fun exercising in the gym and playing a game to help us throw and catch.
- made special cards to give to "shut-ins" from our congregation and also wrote thank you notes to our moms and dads.
- ate at a school pancake breakfast, participated in "Winter Olympics", practiced skills during literacy centers, worked with equal parts, practiced number bonds, learned about proper nouns, and much more. It was busy.

Upcoming Events

- Feb. 2 PTL meeting and movie night
- Feb. 14 Your child may make valentines at home to bring in to share with his/her friends. We will be making special bags to share these with one another.
Ash Wednesday (Students will worship together today in chapel. There is not a party today.)
- Feb. 15 Valentine's Day Party (Please note that our class party has been moved to this date because Ash Wednesday is on Feb. 14.)
The party will begin at 2:00p.m. and parents setting up for the party may come 5-10 minutes earlier to set up. Thanks to those hosting the party for making the necessary schedule change.

Put these words on flash cards for your child. Play matching games, Bingo, etc.

Please review the words listed above regularly with your child. Thanks!

I will ask your child to read these words to me for an assessment. Keep practicing regularly and have your child look for these words in other books you have at home as well. If your child is able to read these words already, encourage your child to use these words in his/her writing. See if he/she can spell them.

Please read the Ram News that is sent from the school office every Friday. There is important information that pertains to the whole school. Thanks! If you are not receiving the Ram News, please contact the school office.

In the case of inclement winter weather, stay tuned to local TV channels 6, 8, 13, and 59.

Additionally, in the event of a delay or school closure, Our Shepherd families will be notified by email through RenWeb.

Extended Care will be delayed if school is delayed.

Extended Care will not be offered if school is closed.
