Put these words on flash cards for your child. Play matching games, Bingo, etc.

Please review the words listed above regularly with your child. Thanks!

I will ask your child to read these words to me for an assessment. Keep practicing regularly and have your child look for these words in other books you have at home as well. If your child is able to read these words already, encourage your child to use these words in his/her writing. See if he/she can spell them.

Please read the Ram News that is sent from the school office every Friday. There is important information that pertains to the whole school. Thanks! If you are not receiving the Ram News, please contact the school office.
